18th September, 2026

Dear Parents,

2026-2027 Recruiting Parent Volunteers

First, we would like to thank all the parents who have volunteered in the past year for working together to provide better educational services and a school environment for our children.

To ensure the continuation of our high-quality educational services, we sincerely invite parents to join our school volunteer program this coming year. This program will foster connections, effectively promote home-school collaboration, strengthen parent-child relationships, and foster a sense of belonging in children. At the end of this semester, the school will count the number of hours of volunteer service contributed by parents. Parents who reach the designated number of hours will receive a "Parent Volunteer Gold Award" (60 hours) and a "Volunteer Commendation Award" (40 hours) as recognition.

The following details are for parent volunteer work, and we hope the receive your support. To facilitate the counting of parent volunteers and the assignment of tasks, please reply to the electronic notice on or before 25th September, 2026 (Fri) for follow-up.

HKFYG KK Cheng Kindergarten

I have been informed of the relevant matters and have decided:

- ☐ Willing to assist the school as a volunteer.
 Service content: Book packaging, assistance with class affairs morning meetings, celebration party preparation, photography, etc.
 Service hours: Monday to Friday during class hours (specific arrangements will be determined based on actual needs)
- ☐ Will not to assist the school with volunteering.
